One Day – Matisyahu

Sometimes I lay under the moon
I thank God I'm breathing
And then I pray don't take me soon
I am here for a reason

CHORUS:

Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know some day it'll all turn around

Because all my life I've been waiting for
I've been praying for

For the people to say
That we don't wanna fight no more
They'll be no more war
And our children will play
One day One day One day (x2)

It's not about win or lose
Cause we all lose when they feed on the souls of
the innocent
Blood drenched pavement
Keep on moving though the waters stay raging
In this maze you can lose your ways (your way)
It might drive you crazy but don't let it faze you no
way

CHORUS

One day this all will change
Treat people the same
Stop with the violence
Down with the hate
One day we'll all be free
And proud to be under the same sun
Singing songs of freedom like
Why-ohhhhhhhh
Why-ohhh-ohhh-ohhh
Why-ohhhhh-why-ohhh

All my life I've been waiting for
I've been praying for
For the people to say
That we don't wanna fight no more
They'll be no more war
And our children will play
One day One day One day (x2)

All my life I've been waiting for
I've been praying for
For the people to say
That we don't wanna fight no more
They'll be no more war
And our children will play
One day One day One day (x4)

I will build this world from love... yai dai dai
And you must build this world from love... yai dai dai
And if we build this world from love... yai dai dai
Then G-d will build this world from love... yai dai dai

Circle Game – Joni Mitchell

Yesterday a child came out to wander
Caught a dragonfly inside a jar (dragonfly inside a jar)
Fearful when the sky was full of thunder
And tearful at the falling of a star

CHORUS:

And the seasons they go round and round
And the painted ponies go up and down
We're captive on a carousel of time
We can't return we can only look
Behind from where we came
And go round and round and round in the circle game

Then the child moved ten times round the seasons
Skated over ten clear frozen streams
Words like when you're older must appease him
And promises of someday make his dreams

CHORUS

Sixteen springs and sixteen summers gone now
Cartwheels turn to car wheels round the town
They tell him take your time it won't be long now
Till you drag your feet and slow the circle down
CHORUS

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through

CHORUS

Baby, One More Time – Britney Spears

Oh baby, baby, how was I supposed to know
That something wasn't right here
Oh baby, baby, I shouldn't have let you go
And now you're out of sight, yeah
Show me how want it to be
Tell me baby 'cause I need to know now, oh because

CHORUS:

My loneliness is killing me (and I)
I must confess I still believe (still believe)
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time

Oh baby, baby
The reason I breathe is you
Boy you got me blinded
Oh pretty baby
There's nothing that I wouldn't do
It's not the way I planned it
Show me how you want it to be
Tell me baby 'cause I need to know now, oh because

CHORUS

Oh baby, baby
Oh baby, baby
Yeah,
Oh baby, baby how was I supposed to know
Oh pretty baby, I shouldn't have let you go
I must confess, that my loneliness is killing me now
Don't you know I still believe

STEVE & SHARI SADEK FAMILY CAMP INTERLAKEN JCC

That you will be here
And give me a sign
Hit me baby one more time

CHORUS

I must confess, that my loneliness is killing me now
Don't you know I still believe
That you will be here
And give me a sign
Hit me baby one more time

Imagine – John Lennon

Imagine there's no heaven
It's easy if you try
No hell below us
Above only sky

Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too

Imagine all the people living life in peace

CHORUS:

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people sharing all the world, you

CHORUS

Bless this House – Steven Sher (Closing Campfire
only)

Bless this house for we are all together
Bless us all, we may not meet again

Think of all the happiness we found here
Take it home, and share it with a friend
Come along, sing a song
And you'll never say goodbye
Soon you'll see, and agree
Friendships won't ever die
